The anniversary and rally day services at the Methodist church last Sunday were greatly enjoyed and appreciated by the unusually large attendance at all the services.

The day was a most auspicious beginning for the new conference year. A large audience filled the church in the evening until chairs had to be placed in the aisles and rear of the auditorium to see the pageant "The Coming of Truth."

put on by the Sunday school as a part of their rally day program. The manner in which each part of the pageant was carried out was most pleasing to the large number present and was a distinct credit to everyone who took part as well as to those who directed the pageant.

The attendance at the Sunday school was one of the largest in the history of the school.

A Nervous Wreck

By Dr. VALENTINE MOTT PIERCE.

How many business men feel fagged out, nervous, with a "soggy brain"—worn out completely before the day and its tremendous tasks are half over? Try the right way! Clean the body first. That will help your nerves, your head and your circulation. Your doctor will tell you that anything from a headache or a

common cold to grippe or a serious illness may result from allowing food to ferment in the intestines. Don't give the body a chance to absorb the poisons. Remove the toxins from the system and give the tissues of the body aid to resist disease by taking an occasional laxative such as castor oil, or a tiny pill made up of May-apple, aloin, jalap, and sold by most druggists as Dr. Pierce's Pleasant Pellets.

The kidneys and bladder suffer from the wear and tear, and we get chronic inflammations sometimes indicated by backache, painful voiding of water—dull, heavy feelings. Perhaps the uric acid is stored up in the system in excessive amount, and consequently when the urate salts are deposited in muscles and joints one suffers from lumbago (pain in back), rheumatic pains, gout, etc.

Nothing will act so nicely as Anuric (anti-uric-acid), a recent discovery of Doctor Pierce's which can be had at all drug stores. Anuric aids in cleaning the bladder and kidneys—consequently those suffering from rheumatism, lumbago and gout are benefited and the body is put in a cleaner, healthier state.
